

GLENBROOK SCHOOL

PLAYGROUND REDEVELOPMENT PROJECT

The Glenbrook Parent Council Society is raising \$400,000 for our playground redevelopment, which will create a safe and inclusive space for students and the community. We're optimistic in reaching our goal by Fall 2026. Join us in making this vision a reality!

OUR MISSION

SUPPORTING OUR PROJECT

We've partnered with Parks Foundation Calgary, which will assist us throughout our journey. We're grateful for their generous grant to support our project, but we still have a long way to go! Any contribution is appreciated and will help get us closer to our goal one step at a time. You can donate to the **'Glenbrook Parent Council Society - Playground Redevelopment'** through our online portal by scanning the QR code and submitting the form. Official tax receipts will be issued. For larger donations, please complete a Donation Form with a cheque or offline credit card to avoid fees.

Please do not select the option to cover processing fees.
